TOWERS
of **CASCIA HALL**

Official Annual Publication

of Cascia Hall

Preparatory School

Tulsa, Oklahoma

The era into which we have been born is the most technical and advanced period, scientifically speaking, in the history of mankind. Never before has the field of science played such a vital role in the life of the average man. An important part of the curriculum at Cascia is devoted to the natural sciences since they will undoubtedly hold the future for a large percentage of the present generation of students.

On the other hand, man has not progressed so rapidly as to have learned to live in peace with his neighbor and with himself. He still has not learned how to overcome his problems and anxieties by himself, and thus man's religion is still the most important part of his life.

Dedicated to the purpose of preparing young men for the world in which they live and the next world for which they are ultimately destined stands Cascia Hall, 1962.

DEDICATED to...

REVEREND JOHN J. GLYNN, O.S.A. PRIEST, EDUCATOR, FRIEND

Everyone who thinks back fondly over his days at Cascia Hall is sure to recall immediately one person — Father John J. Glynn, O.S.A., who has devoted his life to Cascia since 1943. His quiet humor and sincere understanding of his students have made Father Glynn beloved by those fortunate enough to have him as a teacher or those who have worked with him on the CASCIAN staff. To this outstanding priest and educator the 1962 TOWERS is respectfully dedicated.

PEOPLE of CASCIA

It is the people at Cascia who give the school
its character. Under the guidance of the administration and
faculty and through the cooperation of the student body,
the character of a Christian gentleman is the
standard at Cascia. For we look upon Cascia not
as an institution constituting teachers and students,
but as a home with an atmosphere of
unity and friendship.

Very Reverend James J. Sinnott, O.S.A., Headmaster

The Headmaster

In September, 1950, Cascia Hall was indeed blessed with the advent of a new headmaster. Since that time the school has grown and developed until it has achieved the preeminence that it holds today in Oklahoma and indeed the southwestern United States.

But more than this Father Sinnott is remembered as a friend, as a father, and a leader to those men who were his boys.

Father Sinnott cordially greets an incoming student and his parents.

Under the guidance of Father Sinnott the Senior Sociology class progresses rapidly.

TOLENTINE COLLEGE CHAPEL

Front row: Very Rev. John L. Seary, O.S.A., Prior Provincial, Province of Our Mother of Good Counsel; Most Rev. Canisius Van Lierde, O.S.A., Bishop of Vatican City; His Eminence, Albert Cardinal Meyer, Archbishop of Chicago; Most Rev. Victor J. Reed, Bishop of Oklahoma City and Tulsa. Back row: Very Rev. Francis P. Fenton, O.S.A.; Very Rev. Ruellan P. Fink, O.S.A., Provincial Emeritus, Province of Our Mother of Good Counsel; Very Rev. C. C. McHale, O.S.A. Provincial Emeritus, Province of Our Mother of Good Counsel; Very Rev. James A. Donnellon, O.S.A. Prior Provincial, Province of St. Thomas of Villanova.

Deep in the heart of every great leader there is always some cherished desire, and the dedication of the chapel for our major seminary at Tolentine College in Olympia Fields was the culmination of Father Seary's cherished plan. It was also a great honor to Cascia Hall and the diocese of Oklahoma City and Tulsa to have our beloved Bishop Reed preach the sermon at this dedication.

VERY REVEREND JOHN T. McCALL,
O.S.A.

Prior, Tennis Coach
Villanova University, B.A., M.A.
International Augustinian College, Rome, Italy
Columbia University
Fordham University
Catholic University
Instructor in Latin, Mathematics, and Religion
Came to Cascia in 1959

Since his coming to Cascia three years ago, Father McCall has coached the tennis team in addition to his many other duties as prior and teacher. Here he talks with tennis lettermen Ken Brown, Tony Lauinger, and Larry Knoles.

Faculty members relax between classes in the teachers' lounge.

**REVEREND BERNARD T. FLYNN,
O.S.A.**

Prefect of Studies, Student Counselor,
Guidance Director, Moderator of
Towers, Alumni Director

House Father, Driscoll Hall
Chaplain
Villanova University, B.A.
Catholic University, M.A.
Came to Cascia in 1948

MR. ROBERT J. SHAW

University of Notre Dame, B.A.
Instructor in English, History and
Government
Came to Cascia in 1960

REVEREND HENRY V. SPIELMANN,
O.S.A.
Librarian
Villanova University, B.A., M.S.
Instructor in Biology and Mathematics
Came to Cascia in 1940

MR. DON WHITSITT
Director of the Mixed Chorus
Tulsa University, B.M.E.
Instructor in Music, English and Mathematics
Came to Cascia in 1961

The Dormitory Prefects:
Mr. Lundy, Mr. Smith, Mr.
Antezana.

A million and one things that make up a school day might never be done were it not for the kind attention of our office staff: Mrs. George A. Bullock, Mrs. David M. Stafford, Mrs. D. A. Reid.

The cafeteria staff: Lynn Mathis, Lula Tehce, Richard Crawley, Arlene Curtis, Opal Bodene, Gwendolyn Smith, Leon Crawley, and Ota Belle Ezzell.

Oliver Curtis and Louie Mirelez prepare to drag the field.

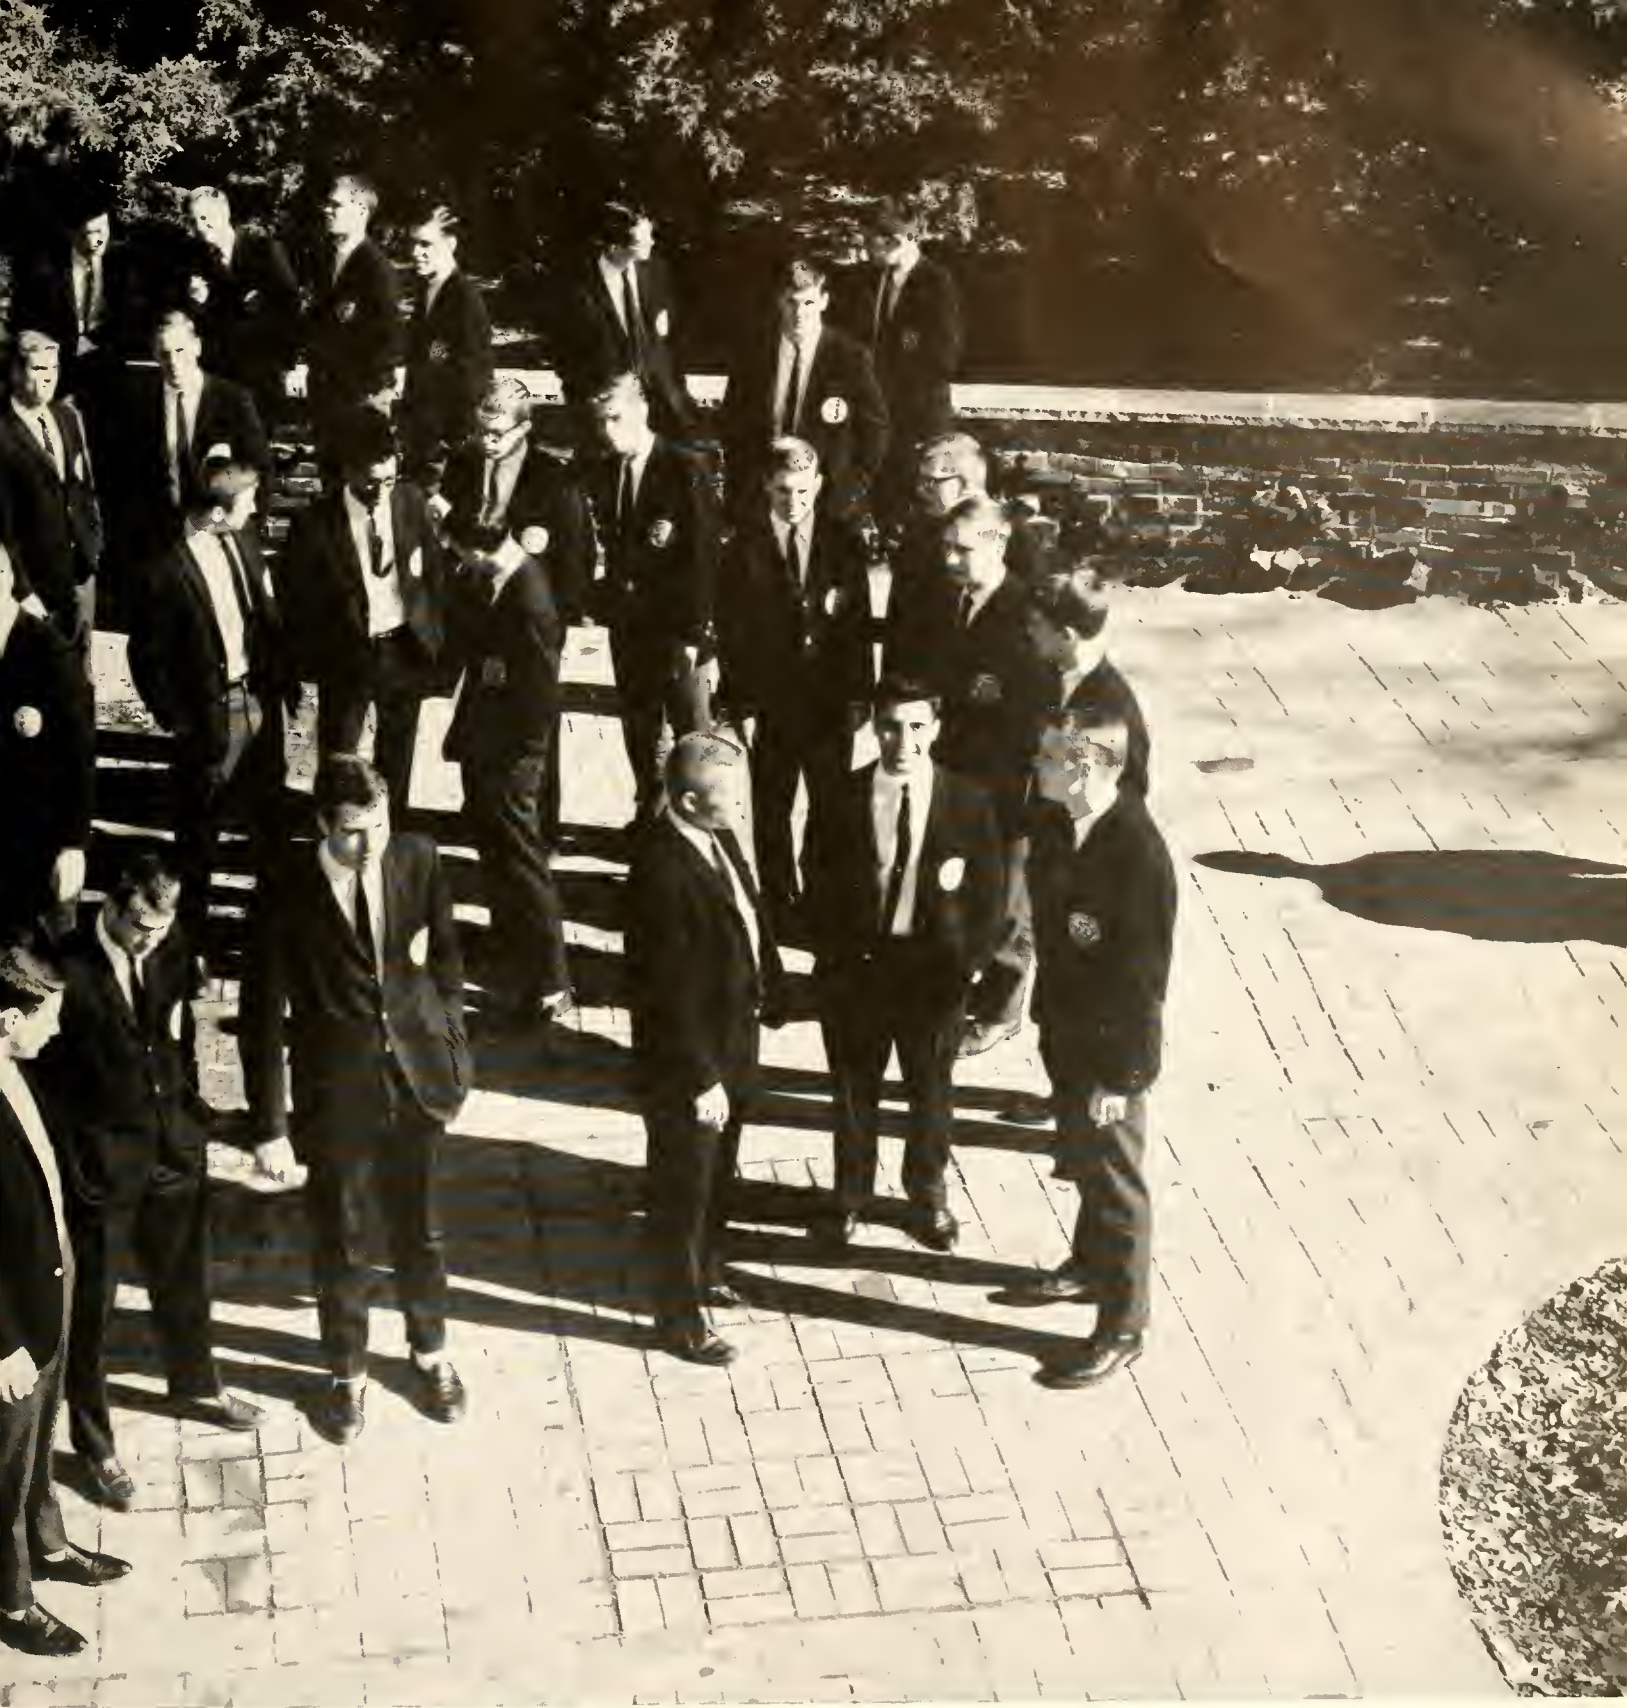

Jess Wilkinson, school maintenance engineer.

The Class Of 1962

As the Class of '62 enters the ranks of the Cascia alumni, we who remain behind should remember the fine example they have given us. These men have left a record that will not be easy to suppress. They have excelled particularly in their studies, counting among their ranks three National Merit Finalists, and three who received Letters of Commendation. In athletics, they placed four boys in the Catholic All State Football Team and one on the Catholic All State Basketball Team. On the spiritual side, the class has several members who intend to follow the priesthood as their vocation in life. From these splendid examples we can easily see that the Class of '62 was outstanding.

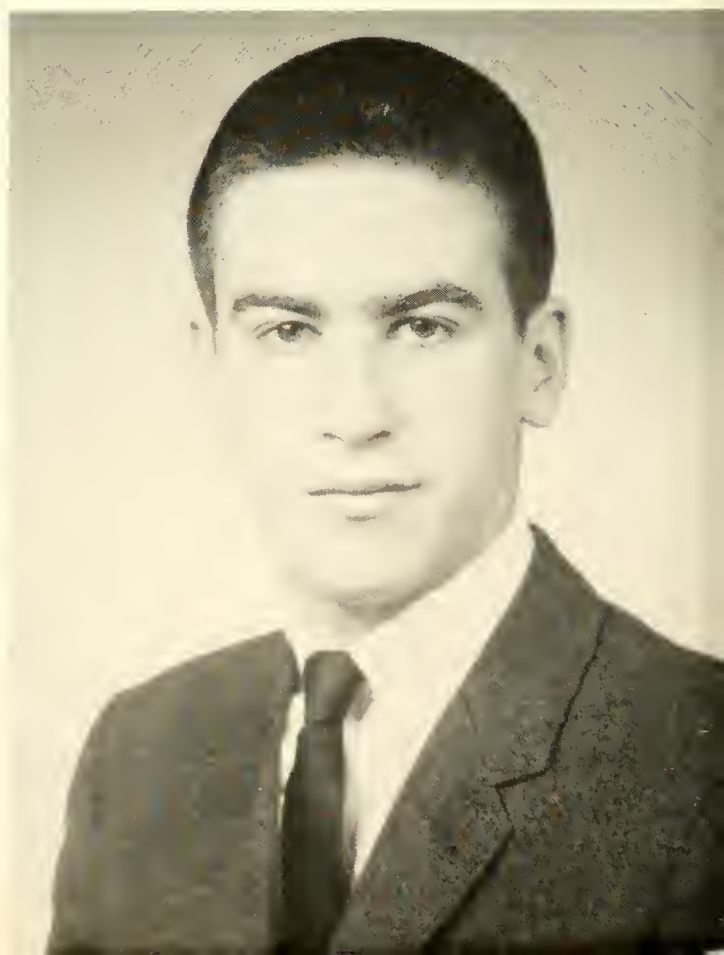

Senior class officers, left to right: Frank Keating, president; Daniel Keating, first representative, 12B; Ken Brown, first representative, 12A; Allen Barrow, second representative, 12A; John Tiger, second representative, 12B.

FRANKLIN ANTEZANA, JR.

Belle Masque 4; Library Club 4; National Honor Society 4; Sanctuary Society 4; Science Club 3; Science Fair 3,4; Track 4.

From the mountains of La Paz, Bolivia, came the third member of the Antezana family to attend Cascia in recent years — Franklin. Franklin, who knew some English when he came to Cascia, but more important, quickly learned what he did not know, is very hard-working, very studious, and almost always on the Honor Roll. He is especially gifted in math and science, and his knowledge has often helped a classmate through a difficult problem. Franklin is also very good-natured; and, although he has been at Cascia for only two years, he is one of the best-liked boys in the class.

Franklin intends to go to Rice Institute to carry on his studies in the field of chemical engineering. If his high school years are an indication of what is to come, we predict tremendous success for Franklin.

ALLEN E. BARROW, JR.

Camera Club 2; *Cascian* 3; Assistant Business Manager; Class Representative 4; Football 3,4; Lettermen's Club 4; Science Fair 2,3; Student Council 4; Tennis 2,3,4; Track 4; *Towers* 4; Business Manager.

Undoubtedly one of the most versatile persons in the Senior Class is Allen Barrow. Joining our class in his freshman year, Al has proved himself to be an asset to all class endeavors. From the football field to the Student Council, Allen has proved his worth again and again.

It would be untrue to say that Allen does not know how to have a good time, even though it is usually with some of the boys on one of those "happy times." Seriously, Allen is an ardent booster of all *Cascia* Hall social activities and can usually be seen with one of *Tulsa's* belles at these dances.

Next year Allen plans to attend Duke or Oklahoma University where he will study law. With his great personality he is sure to be a great success.

KENTON ALLAN BROWN

Baseball 4; Basketball 4; Belle Masque 4; Bowling 2,3,4; *Cascian* 3,4; Intramurals 2; Lettermen's Club 3,4; National Honor Society 4; Science Club 2; Science Fair 2,3; State Honor Society 1,2,3,4; Student Council 4; Tennis 2,3,4; Track 4.

Ken came to *Cascia* from Madalene in the eighth grade; and for the five years since then, he has been one of the most popular people at *Cascia* and a credit to his class.

His election as first representative of Senior A attests to his popularity among his classmates. Ken spends his spare time in many different ways, ranging from playing basketball and tennis to working on the *Cascian*. He also finds time to do enough studying to make the Honor Roll regularly.

Next year Ken plans to attend Notre Dame or Stanford where he will major in physics. We are sure that Ken will do well in whatever he chooses for his career, and we wish him the best of luck in the future.

An educated man not only knows ideas but also knows where to find them.

PAUL DANIEL BRUNTON

Baseball 4; Belle Masque 4; Football 2,3,4, Co-captain 4, Catholic All State Team 4; Glee Club 2,4; Lettermen's Club 2,3,4; Schola 4; Student Council 3; *Towers* 2,3,4, Sports Editor 4; Track 2,3,4.

Paul Brunton, or Pablo as he is sometimes called, moved to Tulsa during the summer before his sophomore year -- after having had the misfortune of living in Texas for a number of years.

He was first heard of around Cascia on the first day of summer football practice. Before many days had passed -- before school had started, in fact, Paul had made a place for himself on the starting defensive unit -- the original "Hairy Stickers"; and since that time he has not only been a starter, but a stalwart on the varsity grid squad. He was co-captain of the Commandos in his senior year and was selected to the Catholic All-State team.

Paul hopes to go to Villanova or the University of Oklahoma to study finance. Wherever he goes he is sure to be a success and we wish him the best of luck in the future.

STEPHEN AUGUSTINE DOW

Science Fair 2,4; Tennis 2.

Steve has been a member of the class of '62 here at Cascia for three years. After spending his junior year at Kelley, Steve realized his mistake and returned to Cascia. In his time at Cascia he has become quite a figure around the campus.

While he was a conscientious student, Steve also managed to play an excellent game of tennis. He has also been seen boosting the various athletic teams which the school fields. In his white Ford, Steve has become known as one of the boys-about-town.

Attending the University of Tulsa is Steve's first aim in future life; there he will study engineering. This Cascia graduate will surely be a success in the truest sense of the word.

JAMES STEPHEN DRISCOLL

Baseball 4; Cheerleader 4; Football 1; Glee Club 2,3,4; Golf 1,2; Sanctuary Society 1,2,3; Schola 2,3,4; Science Fair 3,4; Track 4.

Steve, Jim, James, or just Driscoll is the man known by the most names at Cascia. Steve came to Cascia from St. Louis and has been here since his freshman year. He played on the golf team both as a freshman and as a sophomore. As a senior, he was an active promoter of school spirit. He was one of four cheerleaders who helped our teams on to numerous victories.

Steve plans to attend St. Louis University where he will earn a B. S. degree in the School of Commerce. We wish him a successful college career and future life.

ROBERT EDWARD FUNK, JR.

Basketball 1,3,4; Football 1,3,4; Lettermen's Club 3,4; Science Fair 3; Student Council 1,3; *Towers* 3; Track 4.

Bob is a five year Cascia Man. He has been very much a part of things here at Cascia ever since grade school football days, and has starred on the gridiron ever since. He has also been a member of the basketball team throughout his years here.

But Bob is known not only for athletics. As a quiet, hardworking, and dedicated member of his class, he has won many friends and done much to help the school. He is a member of the Lettermen's Club, treasurer of the Senior Class, and was a member of the Student Council in both freshman and junior years; last year he was a member of the *Towers* staff.

Bob hopes to go to Colorado School of Mines where he would like to study geological engineering. He will, do doubt, succeed in college as he has here at Cascia Hall.

DAVID A. GARRICK, JR.

Belle Masque 4; *Cascian* 2,4; Glee Club 2; Sanctuary Society 1,2,4; Schola 2; Science Fair 2.

Although he has been at Cascia for only five years, David joined the present Senior Class in the seventh grade. This is explained by the fact that last year he travelled "out west" to Arizona to sample its famous desert climate. We were glad that he came back to Cascia to graduate with our Class of '62.

David has contributed his time and talents to the *Cascian* and the Sanctuary Society as well as several dramatic presentations. In our annual Christmas play he was a tremendous hit as Mr. Bradfield, and his abilities contributed greatly to the success of the Monte Cassino-Cascia production of "Annie Get Your Gun".

Probably best known for his wit, David can always be counted on to inject humor into any class or situation. For this Cascia senior we predict a rewarding college career and a future as bright as his own personality.

DONALD ALAN GODDARD

Baseball 4; Bowling 1,2; Football 1; Lettermen's Club 3,4; National Honor Society 4; Sanctuary Society 1,2,3,4; Science Fair 2,3; Student Council 2; Tennis 2,3,4; Track 1,2,3,4.

In his four years at Cascia, Donald Goddard has been as loyal a Cascia Man as one could be. While maintaining a better than three-point grade average, Don has found time for many other activities. He has been a member of the track team, and also a member (a ninety-five pound member) of the football team in his freshman year. He has distinguished himself especially in track as a pole vaulter. Don is also in the Sanctuary Society, the Lettermen's Club, and was this year initiated into the National Honor Society.

Don hopes to continue his studies at Tulane University where geology and oceanography are his chosen fields. To Donald — a man who has done well at Cascia Hall — we wish the best in later life.

MICHAEL PETER GUNN

Cascian 3,4; Football 3,4; Lettermen's Club 4; Sanctuary Society 3,4; Schola 4; Track 3,4.

Mike came to Cascia as a junior, in the fall of 1960. Since then Mike has become one of the most well known Cascia personalities.

Everything Mike does he does to the best of his ability. A few examples can be seen in his activities. Mike had never played football before coming to school here, but in his two years he received a letter and fine recognition from Mr. Hamill and the school. He also participates in the schola, a very demanding activity, and any night he can be heard practicing in the dormitory.

As for the future Mike hopes to attend St. Louis University and major in law. We are certain he will reach a par no less than Perry Mason.

ROBERT C. HARVEY, JR.

Belle Masque 4; Bowling 1,2,3,4; *Cascian*, Business Manager 3,4; Chess Club 2; Football 1; Sanctuary Society 1,2,3,4.

Bob Harvey is one of Cascia's six-year men. He is known around school by his smiling face and willingness to cooperate with everybody.

In his many years at Cascia, Bob has tried his hand at many things. In sports, he has played football and has bowled for four years in the Cascia league. A member of the "A" section, he has earned a respectable grade point average. Besides this, he has been a member of the Sanctuary Society for four years; and, as business manager of the *Cascian*, he has helped us to have a very respectable school paper.

Bob hopes to take pre-med or philosophy at the University of Dallas or the University of Oklahoma. With his natural ability we are sure he will succeed wherever he goes.

The team is never alone.

RICHARD M. HOFF

Football 1,2; Glee Club 2,3,4; Sanctuary Society 1,2,3,4; Schola 2,3,4; Science Fair 3; Student Council 3; Track 3,4.

Richard, one of the Oklahoma men, came to Cascia from Oklahoma City. He has been a member of the Class of '62 since the fall of 1958 and has shown his abilities in various school activities. During his freshman and sophomore years he played on the football team and was the strong man on the track team his junior and senior years. Richard has also been an active member of both the glee club and the schola for the past three years.

Richard plans to attend either St. Louis University or Dallas University next year. We wish him the best of luck in his future studies.

WILLIAM EDWARD JACKWAY

Bowling 4; *Cascian* 3,4; Science Club 2,3; Science Fair 3.

Ever since coming to Cascia in his freshman year, Bill Jackway has been a success and a credit to the school. Bill's remarks in English have often helped to make an otherwise dull class interesting.

On the serious side, Bill has always been a very industrious student as his grades have shown. Bill has always been one to boost school spirit and morale, and was always seen backing Cascia's various athletic teams. In his spare time, Will, as he is often called, can usually be seen driving around town in his black and white Plymouth with a model of feminine pulchritude at his side.

Bill plans to attend the University of Tulsa and major in pre-med. We are sure he will be very successful and we wish him the best of luck.

MICHAEL ANDREW JORDAN

Cascian 3,4; Glee Club 1,2,3,4; National Honor Society 4; Schola 4; Science Club 1,2; Science Fair 2,3; State Honor Society 2.

Since coming here in his freshman year, Mike has become a familiar figure around the halls of Cascia. He can be seen at every football and basketball game and constantly is giving his time to help out with class projects. His fine drawings can be found in the *Cascian* and wherever artistic skill is needed. Somehow Mike has managed to survive his classes and make the honor roll frequently. In addition he was selected as a finalist in the National Merit Scholarship Program. Cascia can certainly be proud of Mike for this achievement.

Mike plans to study medicine at the University of Kansas after graduation. No one will be surprised if he does as well in the future as he has here at Cascia.

DANIEL GRIFFITH KEATING

Belle Masque 4; *Cascian* 1,4; Sports Editor 4; Football 1,2,3,4; Glee Club 3,4; Lettermen's Club 4; Sanctuary Society 1,2,3,4; Schola 3,4; Science Fair 2,3; Student Council 2,3,4; *Towers* 2,3,4; Advertising Manager 3.

From the halls of Monte Cassino to the shores of Senior B, a name well known is that of D. G. "Dan" Keating. Dan, a six year man at Cascia, has made a name for himself in athletics, social events, extra-curricular activities, and, sometimes, his studies.

Dan established himself as a regular member of the football team and is a prominent figure on both the school paper and the yearbook. He also sings in the Glee Club and Schola. Dan's hobbies include hunting, getting ads, and arguing with Barrow. He also likes to drive on the snow.

Although he has not yet chosen a college, Daniel plans to take a liberal arts course. With his personality and sense of humor, he cannot help but succeed.

Academics cannot stand alone — Faith and Reason go together.

FRANCIS ANTHONY KEATING

Belle Masque 2,4; *Cascian* 1,2,3,4, Business Manager 2, Assistant Editor 3, Co-editor 4; Class President 1,2,3,4; Glee Club 1,4; Sanctuary Society 1,2,3,4; Schola 2,3,4; Science Fair 2; State Honor Society 1; Student Council 1,2,3,4; Secretary 2, Vice President 3, President 4; Tennis 2,3,4; *Towers* 1; National Honor Society 4.

Frank's personal motto must be "anything that is worth doing is worth doing well." For anything that he does is done right. Anyone who looks at his grades, his work on the school paper, or any of his other accomplishments during his six years here can readily see this.

Frank has a rare and valuable quality — he is a natural leader. He has been president of his class every year since the eighth grade, and this year he is also president of the Student Council. He had the lead role in the 1962 Belle Masque Play and greatly contributed to its overwhelming success.

After graduation Frank plans to attend Maryknoll College in Glen Ellyn, Illinois. A prediction that Frank will be a success in life would be a very safe one.

JOHN R. KELLY

Basketball 1,2; Bowling 3; Football 1,2,4; Golf 1,2,3,4, Captain 4; Lettermen's Club 2,3,4; National Honor Society 4; Sanctuary Society 1,2; Science Fair 2; State Honor Society 1,2,3; *Towers* 1,2,3,4, Assistant Editor 4.

John, a valuable addition to the Class of '62 came to Cascia four years ago as a freshman. Since that time he has been outstanding both in his studies and in athletics. For four years he has been a key man on the golf team and was elected captain of it this year. With his drive and spirit John has been an asset to the football and basketball team also. John's interests are not limited to athletics, however. An honor student, he is a member of the Oklahoma and the National Honor Societies. Undoubtedly his greatest distinction is his ranking as a semi-finalist in the National Merit Scholarship Program. Assistant editor of this year's *Towers*, John is one of the men responsible for the new format of our yearbook.

In his career at Georgetown, where he will study law, we are sure John will continue to be as successful as he has been here at Cascia.

JOSEPH CHARLES KERNKE, JR.

Belle Masque 4; Cheerleader 4; Sanctuary Society 3,4; Science Fair 3; Tennis 3,4; *Towers* 3.

Cascia Hall has been honored by the presence of Joe Kernke for the past two years, and during that time he has distinguished himself as an exemplary Cascia man, outstanding in every field.

Joe's leadership ability can readily be proven by his participation in Boys' State and the White House Youth Conference. His dynamic school spirit has been shown by his position as a cheerleader, and his tennis ability has marked him as a fine Cascia athlete.

Academically, he has always been an excellent student and his achievements at the Science Fair here at school have been equally excellent.

To sum it up, Joe Kernke's departure from C. H. is going to be a loss for all of us, for we are losing a great guy and a fine friend.

LAWRENCE MICHAEL KNOLES

Football 1,2; Baseball 1; Bowling 3; Tennis 2,3,4; National Honor Society 4; State Honor Society 1,3; Sanctuary Society 1,2; *Towers* 3,4; Lettermen's Club 3,4; Science Club 2; Science Fair 2,3.

Larry, as he is known by all, has been a member of the class of '62 for four years. In that brief time, he has made a place for himself both at Cascia Hall and Monte Cassino. Due to his ability at tennis, Larry is a two year member of the Lettermen's Club.

Larry has made his greatest impression at Cascia, however, by his scholastic ability. He was a member of the State and National Honor Societies and received a Letter of Commendation from the National Merit Scholarship Program. Whenever anyone was stumped by a problem, he could always count on Larry for help.

Larry plans to attend Notre Dame where he will major in mathematics. We know that success will follow his future endeavors.

ROBERT EARL KOOGLER, JR.

Aviation Club 3; Cascia Hall Science Fair 2,3; *Cascian* 4; National Honor Society 4; Sanctuary Society 1,2,3,4; Schola 4; Science Club 2; State Honor Society 1,2,3,4; Tennis 2; *Towers* 4.

One of the most energetic personalities around Cascia is Bob Koogler. He has been a constant participator in and organizer of class and school activities. Many times he has been known to take on a job which was too difficult or too tiresome for anyone else.

Bob is truly an example of a well-rounded student. As mentioned before, he is quite active in extracurricular activities, and he also excels in the classroom. As a member of the State and National Honor Societies and as a National Merit Finalist, Bob has proved his scholastic abilities.

Notre Dame, where he will study either electrical or aeronautical engineering, is Bob's first choice of colleges. With his many fine qualities Bob is sure to be a success.

CHARLES DONOVAN LAFOND, JR.

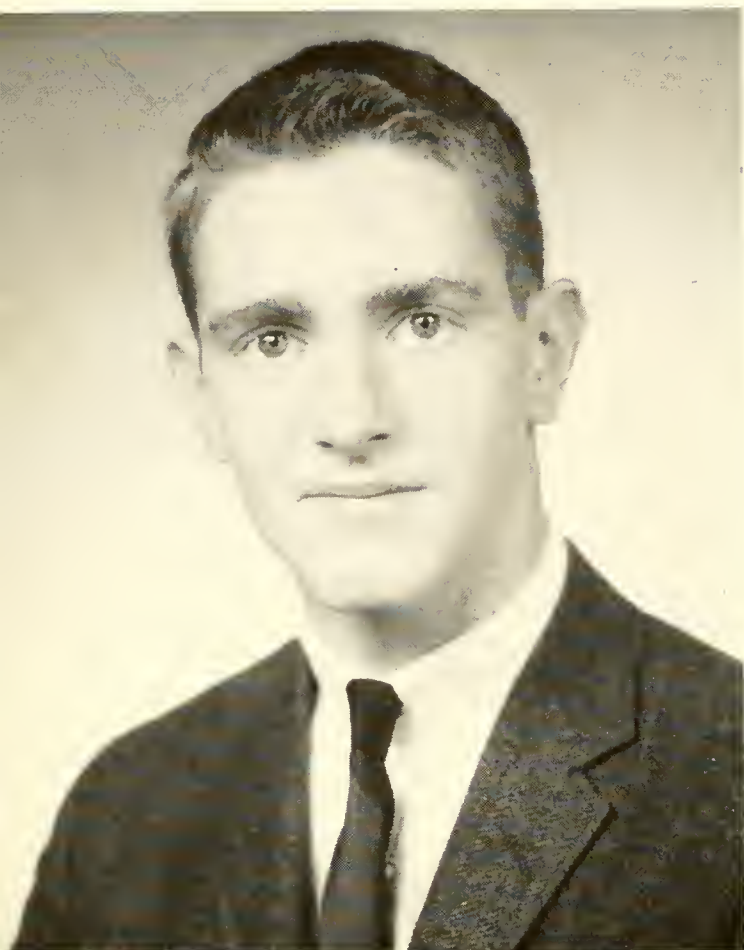

Baseball 4; Basketball 1,2,3,4; *Cascian* 1,2; Football 1; Glee Club 1,2,3; Lettermen's Club 3,4; Sanctuary Society 1,2,3,4; Science Fair 2,3; Tennis 2,3,4; *Towers* 3; Track 3,4.

Chic, as he is called by his classmates and friends, came to Cascia in his freshman year. He comes from Grosse Point, Michigan. In the four years that he has been here he has found time to participate and letter in basketball and tennis.

Chic can always be seen at Cascia's athletic contests, giving his all in support of the team. He is also a steady attender of all Cascia social events.

Villanova is the college which he plans to attend; his major will be business. When Chic departs from our hallowed halls, it will be a great loss to the school because of his great popularity.

ANTHONY JOSEPH LAUINGER

Baseball 1,2,3,4; Basketball 1,2,3,4, Captain 4; Belle Masque 3,4; *Cascian* 1,2,3,4, Business Manager 2, Assistant Editor 3, Co-editor 4; Football 1,2,3,4, Co-captain 4, Catholic All State Team 3,4; Glee Club 1,2,3,4; Lettermen's Club 2,3,4, Treasurer 3,4; National Honor Society 4; Sanctuary Society 1,2,3,4; Schola 1,2,3,4; Science Fair 2; State Honor Society 1,2,3,4; Student Council 2,3,4, Captain 3,4; *Towers* 3,4.

Tony Lauinger is what most people would consider the ideal Cascia Man. Since his coming to Cascia in the eighth grade, Tony has used his talents in many ways. He plays football, basketball, baseball, and tennis with equal dexterity and has also served as co-editor of this year's *Cascian*. Besides all of these activities, Tony is at the head of his class scholastically.

As personable as anyone can be, Tony has the rare ability of making friends with whomever he comes into contact and is well liked by everyone who knows him.

Next year Tony plans to enter St. Monica's Novitiate in Oconomowoc, Wisconsin. We wish him every blessing in his vocation and know that he will be a credit to the Order of Saint Augustine.

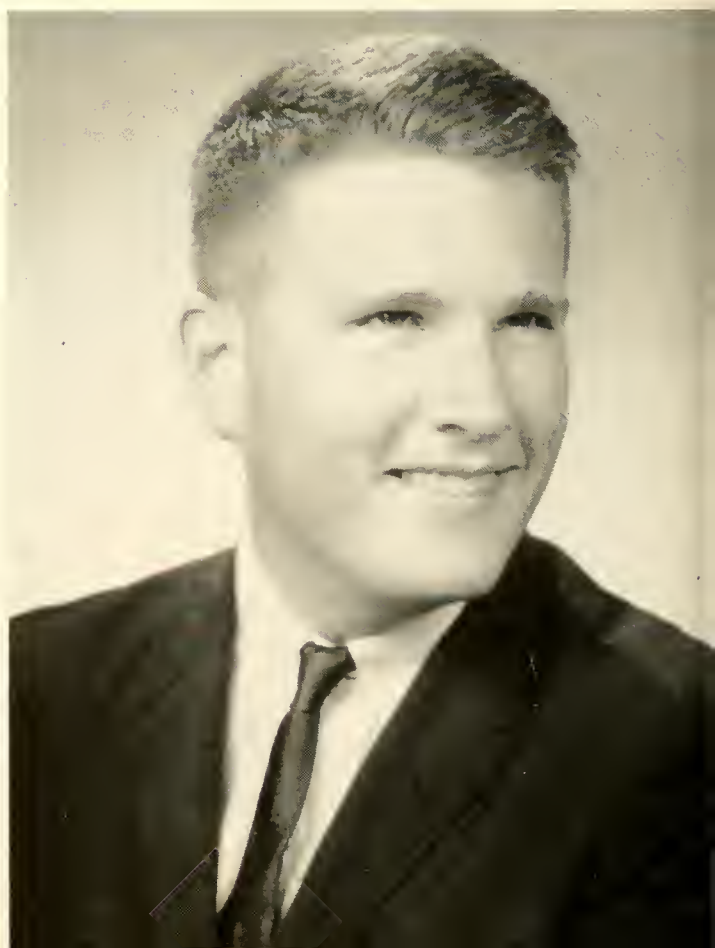

JOSEPH M. LAWLESS

Belle Masque 4; Bowling 1,2,3,4; *Cascian* 2,3,4, Business Manager 3,4; National Honor Society 4; Science Fair 2; State Honor Society 1,2,3,4; Tennis 4; Sanctuary Society 1,2,3,4; *Towers* 3.

Joe came to Cascia five years ago from someplace in the deep south called Nashville, Tennessee. Since that time he has made a name for himself as honor roll student and one of the most well-liked people in school.

Joe's extracurricular activities are many and varied. He supports the athletic teams enthusiastically and serves on the *Cascian* staff as a very fine business manager. He is also always willing to aid and abet our class officers in any way he can.

Joe's future plans include studying pre-medicine at Georgetown University. We know that he will be a credit to that fine school, and we wish him the best of luck in the future.

The homecoming Queen and her court.

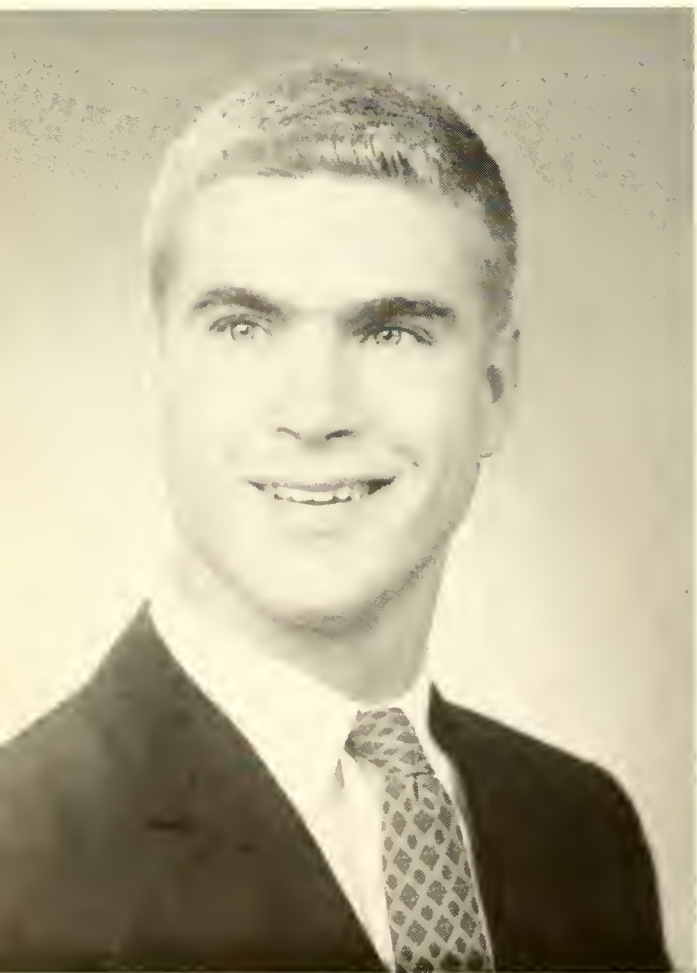

JOHN F. McCORMICK, JR.

Basketball 3,4; Camera Club 2; Class Secretary 3,4; Glee Club 3; Golf Team 4; Lettermen's Club 3,4; Sanctuary Society 3,4; Schola 3; Track 3,4; *Towers* 3,4.

Mac came to Cascia in 1956 making him one of Cascia's few six year men. Since that time Mac has proven himself to be outstanding in the fields of studies, social activities, and sports.

Some of the sports that Mac has participated in include: football, baseball, track, tennis, golf, and intramurals. Some of the sports that Mac has remained with through a full season include: basketball. Fortunately Mac has proven to be a great success in this sport due to his tremendous effort.

Mac plans to attend Notre Dame and to major in law. We are sure that he cannot help but succeed.

CHARLES LUCIEN McMAHON

Baseball 4; Belle Masque 4; Camera Club 2; Football 2,3,4; Lettermen's Club 3,4, President 4; Science Fair 3; Track 2,3,4.

The pro of the Cascia Hall Country Club is Charlie McMahon, who really needs no introduction at all. Since joining our class in the seventh grade, Charlie has attained great heights, both on the football field and as President of the Lettermen's Club. His personality is as individual and unparalleled as the great number of lasting friendships which he has gained in the past six years.

Charlie is always present at all social gatherings whether it be at one of the formals, with one of Tulsa's lovelies, or just a friendly get together with the guys.

Charlie's record for achievements will prove to be difficult to surpass and whether he chooses Kansas University or the University of Notre Dame, we wish him the best in future years.

ROGER H. McSOUD

Basketball 1,4; Belle Masque 3; *Cascian* 4; Football 1,2,3,4; Glee Club 4; Lettermen's Club 3,4; National Honor Society 4; Sanctuary Society 1,2,4; Schola 4; Science Club 2; Science Fair 2,3; State Honor Society 1; Tennis 2,3,4; Track 1,2,3,4.

Roger, a six year man, is sure to succeed in life because of his great capacity for hard work and his determination. When Roger begins a project, he gives his all to it until it is finished and done well. These qualities have been reflected in his scholastic and athletic achievements throughout his years at Cascia.

Roger is better known, however, for his ever-present smile, his amicable nature, and his thoughtfulness towards others. Nor will we forget his "Indian jokes" that provided many long laughs for the class.

Roger plans to attend the University of Tulsa next year where we know he will be as successful as he has been here at Cascia. We wish this fine Cascia Man the best of luck in the years to come.

CHARLES RABON MARTIN

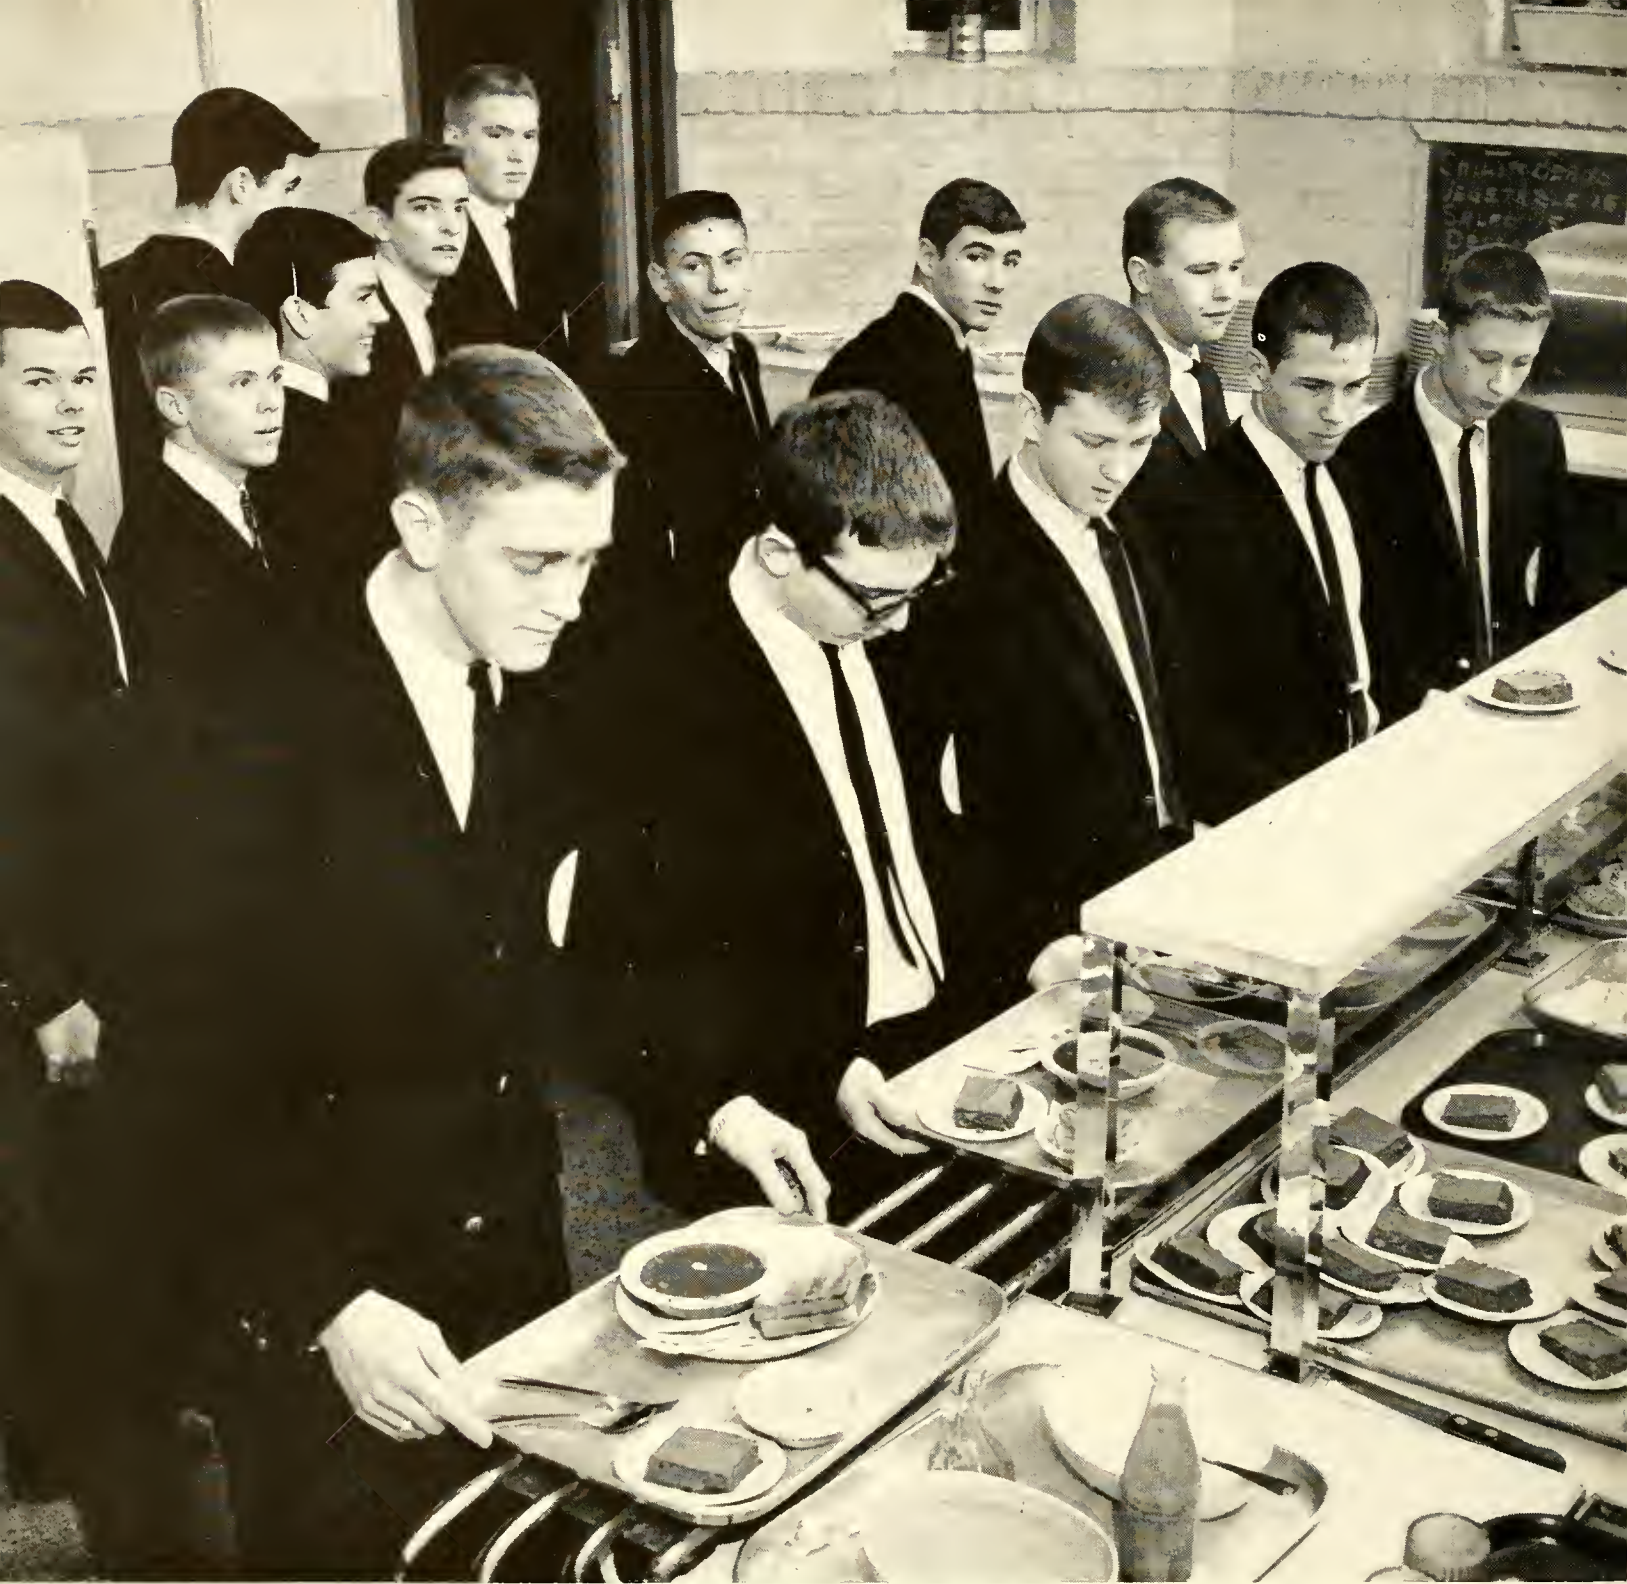

Baseball 4; Basketball 2; Belle Masque 4; Bowling 1; Camera Club 2; *Cascian* 4; Chess Team 2,3; Lettermen's Club 4; Sanctuary Society 1,2,3; Science Fair 2,3; Tennis 2,3,4; *Towers* 3,4, Assistant Editor 3; Track 4.

Since he came to Cascia in the seventh grade, one of the most imaginative and enthusiastic members of the Class of '62 has been Rabon Martin. Rabon was always a diligent worker, whether designing homecoming decorations or slaving over a research paper.

Besides holding his own in the classroom, Rabon has also found time to be on the tennis team. He has been a consistent booster of all the varsity squads, and could often be seen taking pictures of athletic contests for the *Towers* or the *Cascian*.

Rabon plans to continue his education at Rice Institute, where he will study engineering. The Class of 1962 wishes Rabon the best of luck in all his future endeavors.

... And it tastes good, too!

JOHN GORDON MORRIS

Glee Club 1,2,3,4; National Honor Society 4; Schola 1,2,3,4; Science Fair 2; State Honor Society 1,2,3,4; *Towers* 3,4; Co-editor 4.

J. G. Morris is one of the select members of this year's Senior Class who have spent six years here at Cascia. During that time J. G. has earned a deserved reputation for his reliability and responsibility. His sterling qualities are exemplified by the fact that he was chosen co-editor of this year's year book. But they are even better exemplified by the fact that he is a member of both the State Honor Society and the National Honor Society. J. G. has a great interest in music and has been accompanist for the Cascia Glee Club and organist for the Schola for four years.

Next year J. G. plans to attend Oberlin College where he will carry on his studies in a liberal arts course with the emphasis on foreign languages and music. To J. G. we wish the best in later life.

JOHN HASSETT MURRAY

Baseball 4; Basketball 4; Belle Masque 3,4; *Cascian* 3,4; Sanctuary Society 3,4; Schola 4; Science Fair 3,4; Tennis 3,4; Track 4.

In the fall of 1960 John came to Cascia from the great mining center of Centralia, Illinois. Soon we were to find in John a nice guy and a great friend. All through his school career, and especially in his senior year, John has been very active in extracurricular activities, especially basketball, tennis, and the Belle Masque Club, in which he displayed his talents both as an actor and as a set designer.

John has also shown us his scholastic capabilities with the grades he merited in his years with us. Therefore we are positive that John will be a complete success at Villanova, where he plans to earn his Bachelor of Arts degree either as a liberal arts or a law major. We wish him the best of luck in whichever field he chooses.

JOHN WILLIAM O'BOYLE, JR.

Aeronautic's Club 3; Belle Masque 4; Bowling 3; Glee Club 3.4; Schola 3.4; Science Club 3; Science Fair Winner 3; Tennis 3.4; Track 4.

John W. O'Boyle, better known to all the "boys in Seary" as Mike, has been a member of the class of '62 for the past two years. A former student of Dallas Jesuit, Mike blended in perfectly with the Junior Class in his first year here.

As a senior, Mike has made great contributions to both the homecoming itself and the dance decorations. He was always seen in attendance at varsity games and was a vociferous rooter. Mike has also found time to play varsity tennis and track. On the scholastic side, Mike succeeded in placing high in the Cascia Hall Science Fair in his junior year.

Planning to attend the University of Texas next year, Mike will pursue the study of Law. The class of '62 wishes all the best to Mike in future years.

The day we got our blazers.

JEFFERSON DICKSON PUTNAM

Aviation Club 3; Belle Masque 4; Schola 4; Science Club 3.

From the heart of the Ozarks came Jeff Putnam, one person who has made the many hours of the boarders and day students brighter.

Jefferson strolled into Cascia two years ago, carrying his suitcase and a rebel flag. Since then he has become a prominent member of the student body (He is 6 foot 4).

His histrionic ability is to be equaled only by Sir Lawrence Olivier and a very few others. He appeared as Buffalo Bill in *Annie Get Your Gun*.

Jeff hopes to attend the University of Missouri and major in some field of psychology. We hope he will be a big success.

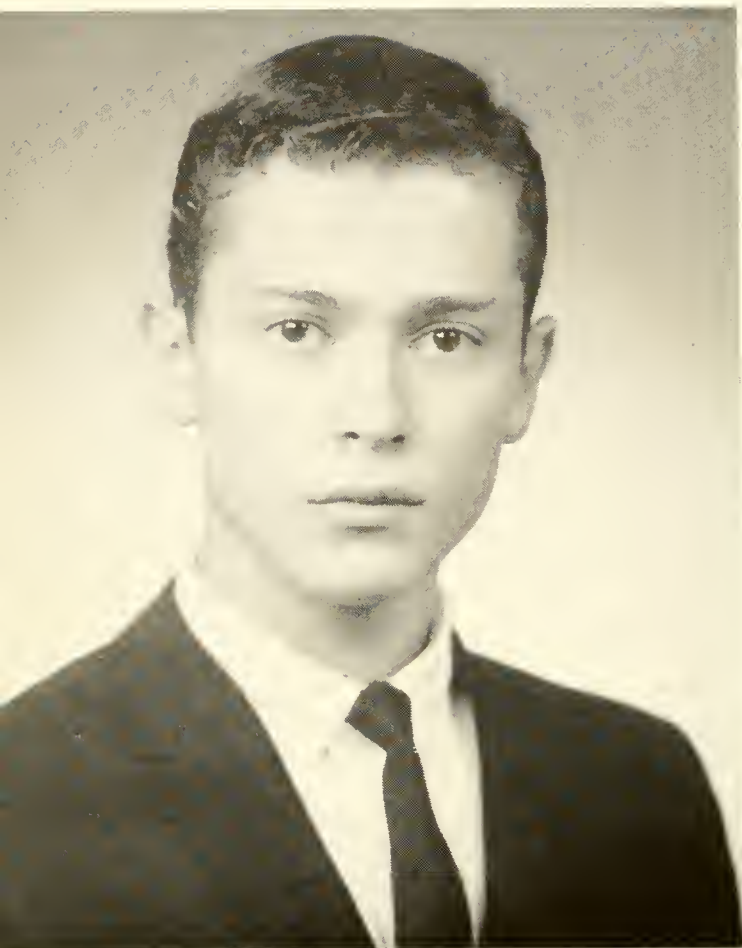

JOHN J. RABENAU

Basketball 3,4; Bowling 2; Track 2,4; Tennis 2,3,4; Sanctuary Society 2,3,4; *Towers* 2,3,4, Co-Advertising Manager 4; Science Club 2,3; Lettermen's Club 3,4.

John Rabenau is a three year member of the class of '62'. Hailing from St. Louis, Missouri, John has proven his ability as one of Father McCall's (and Cascia's) finest tennis lettermen. But John's biggest asset comes in the field of selling. John has proved himself one of Cascia's all time great "pitchmen." Our yearbook staff would probably have spent the summer in jail if it hadn't been for John's ability to exude charm and get ads.

No article about John Rabenau would be complete without mentioning that Rabs has risen in the ranks and become one of Cascia's foremost lovers. We think that this ability and the ability to adjust and progress will lead him to success at Villanova and beyond.

ADRIAN SADA GONZALEZ

Sanctuary Society 2; Science Fair 3.

Adrian Sada, who is from Monterrey, Mexico, has been at Cascia ever since his sophomore year. When Adrian first came here, he did not know a word of English. However, he learned fast and is easily understood by everyone. Although a little shy, Adrian is known by all the students and well-liked by his classmates. At home he does a lot of deer hunting and while at school he spends much time talking about his adventures in the Mexican forests and deserts.

Next year Adrian plans to attend either the University of Texas or M.I.T. (Monterrey Institute of Technology, that is). We want to wish Adrian the best of luck in the future and hope that he won't forget Cascia or his English, because Cascia won't forget him.

JOHN M. SLATTERY

Bowling 2; Camera Club 2; Science Fair 3; Tennis 3; *Towers* 3.

Probably the easiest-going and best natured person in the senior class is John Slattery. John came to Cascia four years ago and with help of his guitar quickly made his mark.

Although not a member of any of the varsity teams, John has participated in many intramural sports, and he is always ready to take part in an important football or basketball game.

Of course, no social event would be complete without John's presence and he is always accompanied by his one and only.

We are sure that whatever field John decides on, either at the University of Oklahoma or Arkansas University, he will succeed in it as he did at Cascia.

Homecoming parade — the way to travel.

GARY ALAN SUSOTT

Band 1; Glee Club 2,3; Science Club 3,4; Science Fair 2,3.

Gary, a five-year man, has done well at Cascia. In the realm of science he has constantly excelled. Mathematics can also be classed as one of his best subjects.

Teachers all marvel at Gary's excellent deportment in and out of class. One teacher even pointed out that he was a model of discipline. However behind his quiet exterior you will find a well-informed and interesting personality.

In the future we find that Gary plans to attend the University of Tulsa and major in physics. In addition, this ambitious student expects to go on to a Master's or Doctorate. Success seems inevitable for this capable Cascia graduate.

EDWARD JOSEPH SUTTON

Aviation Club 3; Bowling 1; *Cascian* 4; Dramatics 1; Science Club 2; Science Fair 2,3.

Joe Sutton, or "Ed" as he is often called by confused teachers, came to Cascia as a freshman. In the years since that time he has become one of the most popular members of the Senior Class. He has become especially well known for his rare sense of humor and his timely quips have many times given the class a good chuckle.

In his years here Joe has been a member of the *Cascian* staff, the Science Club, and the Aviation Club. He has also taken part in bowling, dramatics, Y.C.S., and the Science Fair.

Joe plans to carry on his studies at the University of Oklahoma where engineering is his chosen field. We wish Joe the best in later life.

MAYO J. THOMPSON, JR.

Bowling 1; *Cascian* 2,4; Class Secretary 2; Golf 2; Sanctuary Society 1,2,3,4; Schola 4; Tennis 3,4; *Towers* 3,4; Track 3,4.

Since his arrival at Cascia in the fall of 1958, Tommy Thompson has established himself as an outstanding Cascia man, by proving himself to be a very capable student, and an outstanding classmate.

There is not much one can say about someone's being a capable student: either he is, or he is not. Not so about being an outstanding classmate, however. In this, Tommy has proven himself to be outstanding in all the ways one can possibly be, by helping on homecoming decorations, dance decorations, class play writings, and relieving the boredom of American History classes with his sound effects.

As for his post-Cascia days, Tommy hopes to attend the University of Texas where he plans to prepare for a diplomatic career.

JOHN WILLIAMS TIGER

Basketball 4; Belle Masque 4; *Cascian* 2; Football 1; Science Fair 3; Student Council 1,4, Secretary-Treasurer 4; *Towers* 3.

John Tiger has been an integral part of Cascia Hall for the past six years. During this time John has distinguished himself as an able leader, as well as an athlete. As secretary-treasurer of the student council, John has had a hand in running many school functions, and he also enjoys the honor of being our first class president, six years ago.

Even though John's athletic career has been limited, his loyalty to Cascia has never failed. He can always be remembered for his willingness to get the job done, as was shown when he revealed a creative turn of mind in decorating the gym for the formal.

We are not sure what college John will attend, but Oklahoma State and Northeastern A. & M. seem to be high on his list. We know that he will succeed wherever he goes, as he has at Cascia.

Underclasses

A school is a dynamic living thing — not static. It is toward the underclassmen, whose pictures follow, that this action is directed, for they are the future of Cascia Hall.

Father Porreca hands out afternoon mail to boarders in Driscoll Hall.

Boarders

Counseling also has its lighter side.

The making of men requires more than just attention to books.

Boarders

"If you don't give me a soda I'll turn all of these guys loose on you!"

Relaxing moments are shared by the boarders over a game of pool.

The patio of Driscoll Hall offers a chance for some afternoon discussion to a few of the boarders.

LIFE of CASCIA

It is the Augustinian ideal to educate and develop the whole man. Therefore, at Cascia, school life is not always confined to the classroom. For education involves not only the accumulation of knowledge, but also the bettering of man's relations with himself, with his fellow man, and with God. Thus extracurricular activities are not just a means of whiling away spare time, but an important part in the education of a Cascia man.

The Gateway to Education

Religious Life

The Center of Life at Cascia Hall.

"Unless you eat the flesh of the son of man . . ."

"To err is human; to forgive divine."

A student asks St. Rita for guidance.

Vesting — seldom seen; familiar to men of Cascia.

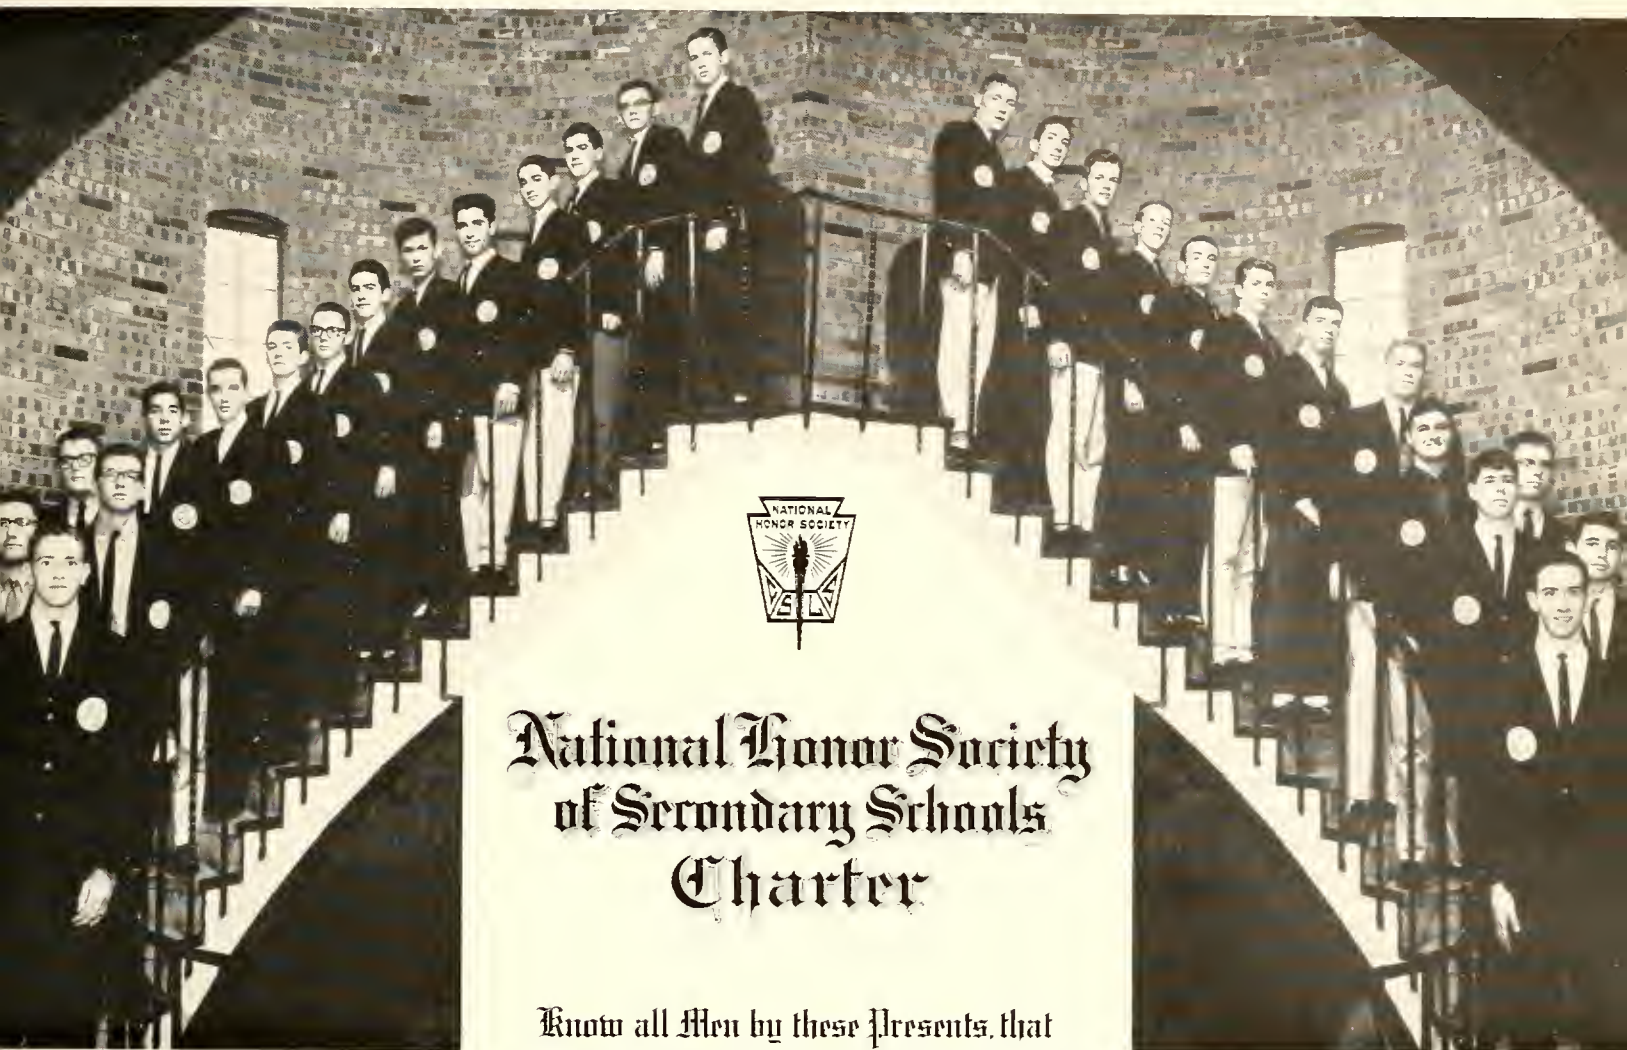

Religious Life

"Give me the man who reads."

"They Call Me Father."

National Honor Society of Secondary Schools Charter

Know all Men by these Presents, that

Whereas, character, scholarship, leadership, and service are cardinal qualities worthy of encouragement in all schools therefore the National Honor Society of Secondary Schools of the National Association of Secondary-School Principals gives, grants, and delegates through the authority of this Charter the privilege and power to establish, conduct, and administer the

Cascia Hall Chapter
as a local Chapter of the
National Honor Society of Secondary Schools

This Charter, Number 9854, is given and granted this
fifth day of September Nineteen Hundred Sixty-one
by the National Council whose signatures are affixed below.

Academic Life

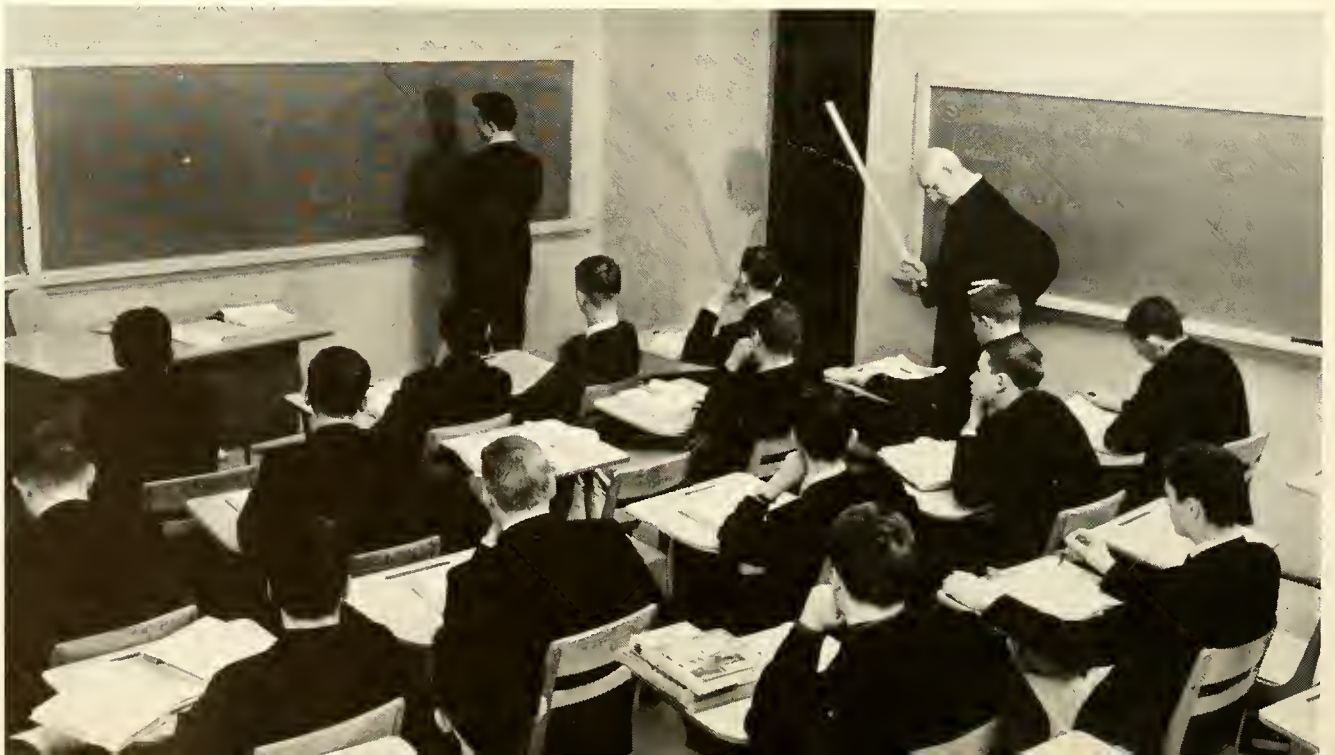

Clockwise: Anthony Lauinger, John Kelly, Larry Knoles, Joseph Lawless, Donald Goddard, Frank Keating, Ken Brown, Robert Koogler, Franklin Antezana, Michael Jordan, Roger McSoud, James Storch, John McCarty, John Bullock, Fred Wheary, Joseph Lauinger, Charles Pitts, Robert Sullivan, James Wheary, John Craig, Michael Kilbourne, John Nichols, Bill Sargent, Bill Allred, Earl Hendricks, John Lupardus, Frank Phillips, Alan Ross.

Students today — engineers tomorrow.

The high scholastic standards of the academic program of Cascia Hall are designed basically to help each individual student realize his final destiny — God Himself.

The language of science is mathematics.

Now where did he say the brain was?

Parent and teacher have but one interest — their son, his student.

You can't love a government you don't know — we know our government.

A night to remember.

Goodbye to the Old . . .

Hello to the New

As for the social life of Cascia, the spring formal was the time when the seniors to whom we bid "adieu" took the reins for their last big year.

Homecoming

At the Homecoming Parade what was formerly a car wheels in, carrying Cascia's cheerleaders to the game.

A balloon bedecked convertible enters the portals of Cascia as suspicious policeman looks on.

The inspirational bonfire raged on far into the night, serving its purpose well .

Queen Barbara McMahon, escort Richard Hoff, and Homecoming Court at Coronation Dance.

Richard Hoff prepares to leave on the parade with Barbara McMahon, Homecoming Queen, and attendant, Patty Blue.

Jim Gilliard, Tom Moran, Mike Kilbourne, Dave Ellis, Chic Koran. Top: John Nichols, Lee McCarty, Fred Wheary, Tom

Dolezal, Jeff Spanier, Pat Senger, Jed Ullman, Jim Wheary, Ed Smith, John Craig, Dan McMahon, Chris Archer.

Grim determination outlines the faces of Cascia's coaches as they shout encouragement to the Hairy Stickers.

Amidst joyous yells the cheerleaders lead the Commandos onto the field.

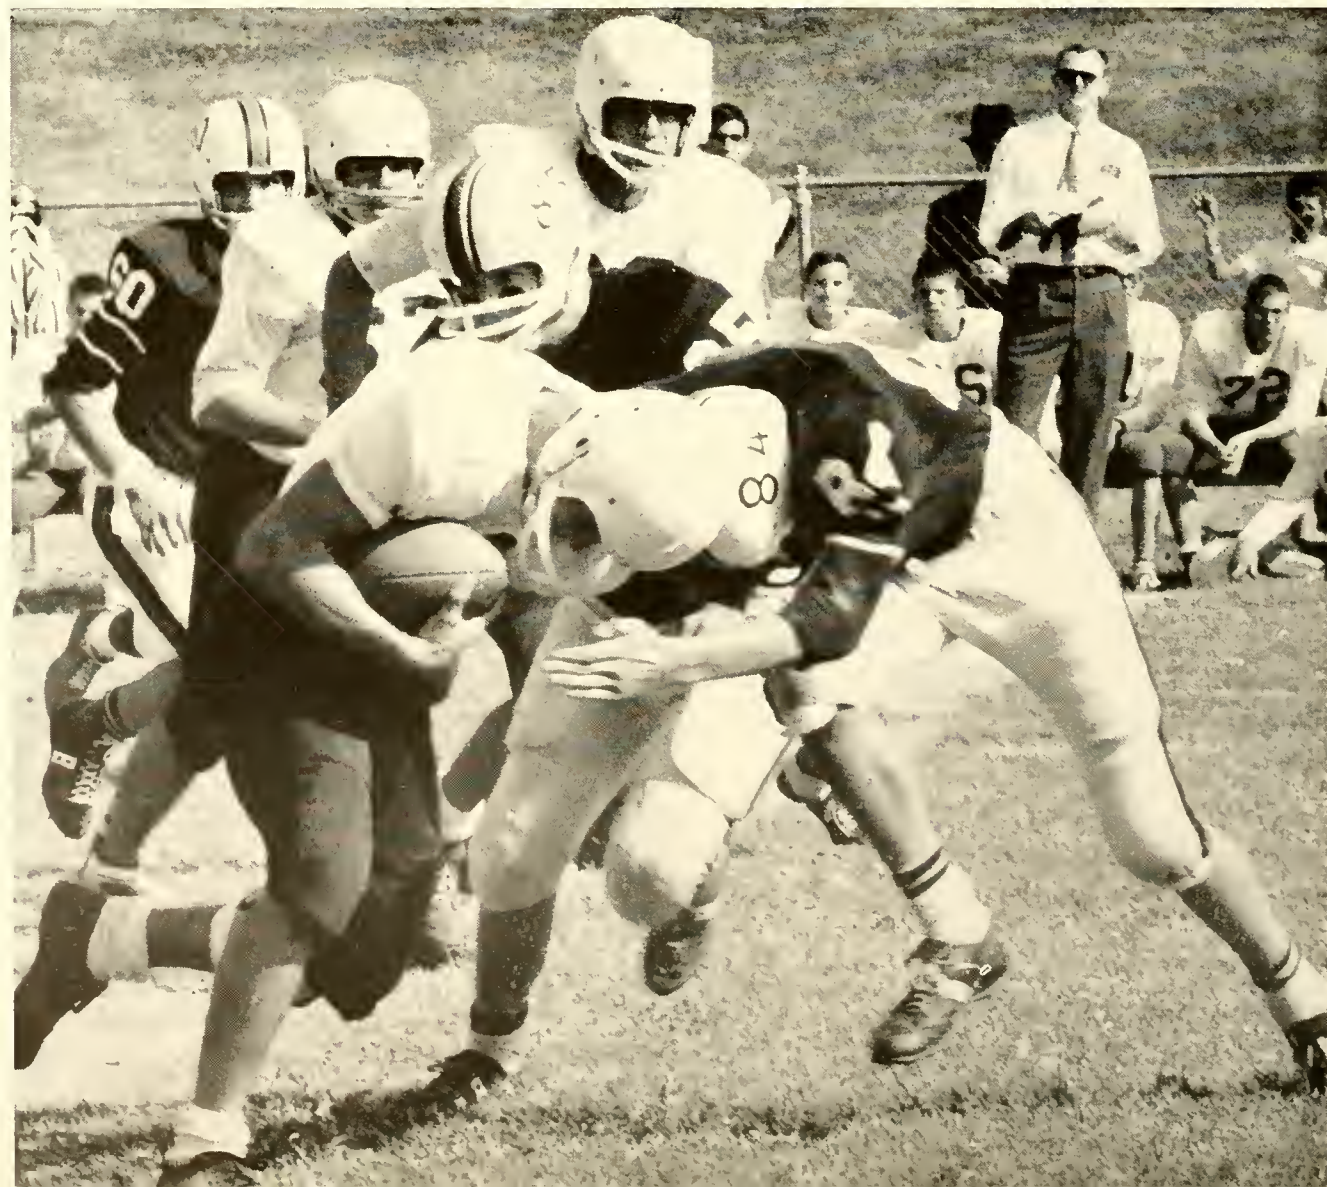

Football

In the development of the '61 Commandos, Coaches Bill Hamill and Chuck Janssen were faced with a critical shortage of size and experience. At only four positions could the coaches rely on returning starters. The seven remaining gaps were filled by two lettermen, a crippled halfback, and four virtually unknowns to football. Even though this shaky assortment of players lacked much physical

size and practical experience, Coaches Hamill and Janssen saw their efforts rewarded by the placing of five of the starting eleven on the Catholic Conference all state team. These five formed the nucleus of a hard-fighting football team.

The all stars were guard Allen Barrow, co-captain and quarterback Anthony Lauinger, center Charles McMahon, co-captain and end Paul Brunton, and

Jim Reidy (84) proves his ability as Cascia's best defensive end in butting down Gregory's back.

Cascia's leading ground-gainers, Joel Shadday (66), struggles for extra yardage behind all-stars Charles McMahon (58) and Allen Barrow (70).

tackle Bill Sargent, the only junior. Backing up these five with outstanding performances were senior halfback Robert Funk, the guts man on the team; junior fullback and number one scorer and ground-gainer Joel Shadday; guard Ed Smith, the best blocking lineman; tackle John Nichols; end James Riedy; and hard-running little Patrick Senger. Besides this starting contingent praise should be given

to our defensive specialists seniors Daniel Keating, linebacker, and Roger McSoud, halfback, and juniors Tom Dolezal and Allen Ross, linebackers. Able replacements were to be found in juniors John Craig and Jim Gilliard, and sophomores Dan McMahon and Orrin Dupuis.

Injury kept three tough football players from seeing action. Michel "Peter" Gunn, senior guard, broke

Lauinger (14), McSoud (27), Brunton (82), and Shadday (66) make up part of a tenacious defense which kept McGuinness in the hole throughout hard-fought homecoming battle.

Cascia's two top linebackers, Brunton (82) and Shadday (66), introduce McGuinness back to "good ole mother earth."

Football

"It's mine!" Lithe halfback, Pat Senger (22) dives for reception, despite efforts of two hapless Knights.

a leg in the inaugural game of the season and did not return to action for four weeks. His loss, coupled with that of Charles Koran and Lee McCarty, cut deeply into the power of the Commando attack. Even so, Cascia's never-say-die gridders compiled a creditable 3-5-1 record, playing several of the best teams in the Southwest.

To the members of the '61 Commandos and Coaches Bill Hamill and Chuck Janssen go our congratulations for an exciting and rewarding season.

Shadday avoids Starr brothers (John #10, Joe #30), latches on to this one in Gregory game.

Cascia's Cheerleaders

During tense moment in Homecoming game, John Rabenau crumples his megaphone.

"Bast the Irish"? Cheerleaders on their way to buy some "basting" powder.

Clockwise: Joe Kernke, Jim Driscoll, John Rabenau, Martha Melinder, Kathy Clark, Aline Linchan, Judy Hildebrandt, and Bernadette. Not pictured: Kathy Shields, Charles LaFond.

Basketball

The 1962 edition of the Hairy Dribblers was tutored by a Cascia newcomer, Jerry Andress. From a nucleus of one starter and one other letterman, Coach Andress molded this year's Cascia live into a smooth-working quintet.

Our starting team consisted of two seniors — 6'3" forward and captain, the team's leading rebounder, Tony Lauinger; and ace backcourt man, 5'9" Mac McCormick. Backing up these two were the Conference's leading scorer, sophomore guard Ralph Tucker, 5'10"; junior pivot, Buzz VanHouten, 6'4"; and Bobby Sullivan, 5'11". In addition, Coach Andress had able replacements in juniors Joe Lauinger and Charles Marsh; and in seniors Ken Brown, John Murray, Paul Brunton, and Roger McSoud. Special recognition should be given to Chic LaFond for his valuable assistance to this year's team. Ineligible for Conference contests, LaFond again displayed desire and ability in the games in which he did play.

Tony Lauinger and Buzz VanHouten fight for rebound as McGinness looks on.

Junior Varsity, from left to right: Steve Finley, Coach Smith, Bob Vance, John Bidasio, Earl Hendricks, David Sheehan, John Termini, Gary Batese, Steve Gillin, Kelly Stockton.

Basketball

VanHouten outjumps Kelley to get rebound from Tucker's shot.

VanHouten looks amazed; "if McCormick can do it anyone can!"

Lauinger goes high for rebound in Cascia's rout of Kelley.

VanHouten hikes ball to Lauinger who passed it in for two, as Van Horn (40) waves to friend in the stands.

Lauinger, VanHouten, and various McGuiness players jump for rebound. Buzz snagged it.

Basketball

With a "V" for victory Tucker cans two against St. Mary's.

Baseball

Bob McIlroy, Bill Godfrey, Bill Allred, Bob Sullivan, Jim Reidy and Mike Kirst.

Paul Brunton, Joel Shadday, Tom Dolezal, Lee McCarty, Bill VanBuskirk, and Tony Lauinger.

Alan Ross, Ted Williams, Jed Ullman, Fred Pauksta, Charlie McMahon, and Bill Sargent.

In Cascia windbreakers, John Kelly and Joe Lauinger. In the background Tom Lincoln, Rusty Loeffler, Perri Pascucci, Bob Travis, Chic Koran, Pat Malloy, Steve Gillin, David Sheehan. Teeing off, Mac McCormick.

Golf

John Kelly putts as Joe Lauinger and Mac McCormick look on.

Tennis

Tony Lauinger exhibits his skill for Don Goddard, Larry Knoles, Ken Brown, Chic LaFond, and Roger McSoud.

Resting on the sidelines are Ken Goessling, John Banderob, and Mike O'Boyle, in the background; and Joe Kernke, Frank Phillips, and Don Sokol in front.

Tommy Thompson returns Rabon Martin's volley as Rusty Loeffer, Joe Lauinger, John Rabenau and John Murray look on.

ton Brown, Thomas Miles, Bradley Johnson, Anthony Beshara, Michael Wise, Frank Wilcox, Robert Johnson, Jack Donovan, Stephen Senger. Middle row: William Frisco, Peter LaFond.

1962 Student Council

This year's student council has done a job that can only be commended. For under the leadership of president Frank Keating, the council has accepted the leadership and entered into every field of school activity. They have established a precedent that needs only to be followed. Because of dances, parties, student assemblies, and projects for the good of the school, this year's student council deserves to be remembered as an exemplary organization. They took the lead and strove by every means to better their school. For this they shall never be forgotten.

Father Sinnott discusses Student Council project with president Frank Keating and secretary John Tiger.

Drama

Under the direction of Mrs. Renee Frisco, the Senior Classes of Monte Cassino and Cascia Hall gave two performances of "Annie Get Your Gun." Starring Jeannie Welch as Annie and Frank Keating as Frank Butler, the play was a tremendous success.
